

12" ARTIFICIAL PLANT - MULBERRY GRASS (I 9360)

$19.95

Introduce effortless greenery into your décor with these artificial mulberry grass plants.

Bring a clean, modern touch to your décor with these artificial mulberry grass plants, designed as an effortless accent for the home or office. Standing 12" tall, each plant adds a fresh, natural-looking element to a table, shelf, or desk without overwhelming your space. Each artificial plant is styled in a sturdy brown cement pot, offering a contemporary foundation that pairs easily with a variety of interior styles. Made from high-quality materials, the mulberry grass features a realistic look that captures the beauty of greenery while requiring no maintenance, no watering, sunlight, or upkeep needed. Thoughtfully designed to be environmentally friendly, these artificial plants provide a long-lasting decorative solution for busy lifestyles.
