

17" WHITE RATTAN TABLE LAMP (I 9855)

$59.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps - including Bedroom styles as well as Living Room styles!

Upscale your casual, transitional decor with our stylish and fashionable 17"h table lamp, featuring a chic white rattan base and a soft beige fabric shade. This decorative lighting accent piece is perfect to place on an end or side table, nightstand, or console adding sophisticated rustic ambiance to your living room, bedroom, or home office. Designed with a textured finish base in a natural, woven, rope-style rattan material, this lamp not only serves a functional purpose but also infuses a trendy aesthetic into your space. The on/off turn knob switch allows for easy operation with the use of a 60W standard bulb (not included), to brighten your surroundings effortlessly. Illuminate your home with this white rattan lamp and a modern, linen-blend beige shade to create a cozy atmosphere for your reading nook or simply to add a touch of elegance to your decor.
