

ACCENT TABLE - NATURAL OAK LOOK (I 2887)

$129.95

Bring a calm, curated finish to your seating area with this accent table in a warm natural oak laminate.

Bring a calm, curated finish to your seating area with this accent table in a warm natural oak laminate. At 20" high, the compact silhouette tucks in neatly as an end companion to a sofa or lounge chair, while the streamlined profile reads effortlessly contemporary and modern. Use it as a side table for coffee, candles, and remotes, or style it as a bedside nightstand in the bedroom for books and a softly glowing lamp. A 2 tier layout keeps essentials close, with a smooth, easy to clean top for daily living and a lower shelf for baskets, magazines, or decorative items. Durably designed for real homes, it delivers a practical footprint with a space saving design that feels airy, not bulky. This fashionable style side table assembles quickly with an easy to assemble construction.
