

## 16" ARTIFICIAL PLANT - EUCALYPTUS (I 9368)

\$29.95

---

Introduce effortless greenery into your décor with these artificial eucalyptus grass plants.

Introduce effortless greenery into your décor with these artificial eucalyptus grass plants, designed to add height, texture, and a modern botanical touch. Standing 16" tall, each artificial plant is perfectly suited for a table, console, or shelf, creating visual interest without overwhelming your space. Set in clean white pots, these artificial eucalyptus plants bring a fresh, contemporary feel that works seamlessly as an accent for the home or office. Crafted from high-quality materials, they feature a carefully detailed realistic look, offering the beauty of natural greenery with no maintenance—no watering, sunlight, or upkeep required. Made with environmentally friendly materials, this artificial plant delivers long-lasting style, durability, and peace of mind. It's a simple, elegant solution for adding greenery to modern interiors without the commitment of live plants.
