

HOMESTEAD CHAIR SIDE TABLE W/POWER STRIP (2226UM-P)

COMING FEBRUARY 2027

Bring sleek style and everyday convenience to your living space with the Sunny Designs Umbra Chair Side Table.

Bring sleek style and everyday convenience to your living space with the Sunny Designs 2226UM-P Umbra Chair Side Table. Crafted from mahogany solids and veneers, this compact accent table features a rich Umbra finish that delivers a sophisticated dark look while complementing contemporary, transitional, and casual interiors.

Designed to fit neatly beside a sofa, recliner, or favorite chair, the 2226UM-P provides a convenient surface for drinks, books, décor, and everyday essentials. The built-in power strip keeps charging and powering electronics within easy reach, making this table a smart addition to today's connected home.
