

LIFT TOP COFFEE TABLE

$299.95

This lift top coffee table is great for working, snacking, or dining from the sofa.

Highlights:

- Lift-Top Design: This round coffee table combines a lift-up side and a storage side, so everyday display and an extended surface stay in a single place; the top raises 4.3 in, making meals or laptop work in the living room feel more natural
- Hidden Storage: This coffee table keeps items neatly out of sight with large hidden compartments: a swing-open section and a lift-top section for books, games, and daily essentials, helping reduce clutter and keep your living room tidy
- Fluted Round Design: Featuring a 31.5-inch round top and wide fluted side detailing, this lift top table brings a soft look without sharp corners. It ensures smooth daily movement, making it suitable for space-saving apartments or dorms
- Soft-Close Lift Mechanism: Equipped with a stainless steel lift mechanism, this lift top table raises smoothly and supports up to 22 lbs. on the tabletop. It provides a stable, reliable surface that is great for daily living room activities or remote work
- Easy Assembly & Low Maintenance: With clearly marked parts and detailed instructions, this living room table ensures quick setup. Its wood-grain melamine finish is stain-resistant and easy to wipe clean, keeping your living room tidy with minimal effort

Messy surfaces and awkward sofa meals can make a small living room feel cramped quickly. This HOMCOM coffee table helps solve both problems with a 4.3 in lift-top that's great for working, snacking, or dining from the sofa, plus hidden compartments for remotes, books, games, and other everyday essentials. The 31.5 in round tabletop and curved design make it comfortable to use while helping reduce bumps around sharp corners, creating a practical and inviting centrepiece for everyday living.
