Illuminate your space with style with this 16"h table lamp, designed with a fashionable fusion of modern elegance and contemporary charm. Crafted from premium white resin, this lamp features a beautifully textured finish base in a beehive design that is not only decorative but also a standout accent piece for any room. The soft ivory drum fabric shade casts a warm glow, creating the perfect ambiance to brighten your living room, bedroom, or office. Hardly any assembly is needed, simply place the shade on top of the base and place on a nightstand or an end or side table. Using a 60W bulb (not included), this lamp offers a convenient on/off turn knob switch for easy operation. This statement piece effortlessly complements your trendy aesthetic while providing functional lighting.
