

**17" BEIGE CERAMIC TABLE LAMP (I 9776)****\$59.95**

Keltic has an extensive lamp collection! Come shop our wide variety of lamps - including Bedroom styles as well as Living Room styles!

Step into a world of stylish sophistication with this stunning, 17"H glossy beige ceramic table lamp. Perfectly designed to accentuate any decor, this contemporary masterpiece effortlessly blends function and flair. Crafted from a lustrous ceramic base with a textured finish base that has a ribbed design that curves with the tear drop shape, this lamp is not just a source of lighting, but a statement piece that radiates ambiance throughout your home. Adorned with an ivory fabric shade, this lamp brings a warm glow to your office, living room, or bedroom. The simple on/off turn knob switch that holds up to a 60W bulb (not included) brightens your favorite end or side table, or nightstand. This decorative table lamp will illuminate and instantly transform a room to a modern elegance.
