

17" BLACK RESIN TABLE LAMP (I 9863)

\$59.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps - including Bedroom styles as well as Living Room styles!

Illuminate your space with style with this 17"h table lamp in black resin, the ultimate accent piece for any contemporary living space. Made with a chic, textured finish base in a ribbed design, this lamp seamlessly combines elegance and modernity. The ivory fabric shade casts a warm, welcoming glow that brightens up a home office, living room, or bedroom, creating an inviting ambiance. Designed for versatility, this stylish table lamp is ideal to place on a nightstand, console, an end or side table, bringing a fashionable touch to your decor while providing essential lighting. The convenient on/off turn knob switch for a 60W standard bulb (not included), allows you to easily control your lighting, making it a practical addition to your home. Refresh your home with this on-trend, contemporary lighting that is both fashionable and functional.
