

## 17" BROWN RESIN TABLE LAMP (I 9846)

\$59.95

---

Keltic has an extensive lamp collection! Come shop our wide variety of lamps - including Bedroom styles as well as Living Room styles!

Brighten up your contemporary living room, bedroom, or office with this elegant 17"h table lamp. Crafted in sturdy brown resin with a ribbed textured finish base designed to look like stone, this decorative accent lamp effortlessly complements any end or side table, console, or nightstands. The soft ivory fabric shade diffuses light to create an inviting ambiance that transforms any room into a cozy retreat. Equipped with a convenient rotary switch that operates up to a 60W standard bulb (not included), simply place this table lamp in your home office, living room, or bedroom to easily illuminate a dim space. Whether enhancing your home decor or simply needing an eye-catching source of lighting, this lamp checks all the boxes. Revamp your interior decor today with this chic table lamp that embodies both style and functionality!
