

17" IVORY CERAMIC TABLE LAMP (I 9787)

\$59.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps - including Bedroom styles as well as Living Room styles!

Here is the perfect blend of contemporary style and functional elegance with this beautifully crafted, 17"h table lamp in an exquisite ivory ceramic. This decorative lamp features a textured finish base with an elegantly weathered look in ivory with brown undertones and topped with a modern ivory fabric shade. When placed on your nightstand, gracing your end or side table, or brightening a console table, this accent lamp is sure to create an inviting ambiance. The easy on/off turn knob switch operates up to a 60W standard bulb (not included), allowing for easy access and convenience to illuminate a space. Make this ceramic table lamp an essential addition to your bedroom, living room, or home office as a stylish and trendy statement piece.
