Stylish and contemporary 3-seater sofa measuring a perfect 77" long for those who love to lounge in comfort.

Introducing the ultimate centerpiece for your living space—a stylish and contemporary 3-seater sofa measuring a perfect 77" long for those who love to lounge in comfort. Upholstered in premium brown leather-look material, this sofa features a sleek design with a solid wood frame and sturdy solid wood legs, ensuring it not only looks stunning but also provides lasting support. Designed with your relaxation in mind, it includes pocket coil springs that deliver exceptional support, while plush padded cushions offer an inviting softness you'll love sinking into after a long day. With its chic square arm design, this modern piece effortlessly blends into any contemporary décor, making it the go-to choice for trendsetters who value both aesthetics and comfort.
