

17" NICKEL METAL TABLE LAMP (I 9659)

\$69.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

Bring style and functionality to your space with this industrial inspired modern 17"h table lamp. Made with a nickel metal finish, this task lamp features an adjustment arm with various joints for greater flexibility, allowing you to direct the lighting to the task at hand. Fitted on solid round metal base, this lamp has a USB port included to conveniently charge your device and an off/on rocker switch to easily brighten an office, living room, or bedroom area. Using a 40W/120 V bulb (not included) and attached with a 6ft transparent cord, place this decorative task lamp on any desk, end or side table, or on your nightstand to light up reading material or detail work.
