

2 DOOR STORAGE CABINET - SPRING MAPLE (443665)

$289.95

Boost your style while elevating your organization level with the Sauder Select 2-door storage cabinet.

Introducing the low storage cabinet from Sauder®, because living spaces come in all shapes and sizes, so storage options should too. This 2-door storage cabinet is sure to optimize an extra corner or elevate a limited space into an organization oasis, with a shorter stature that can fit in tight spaces with a lower height clearance. Behind the doors, this base cabinet has hidden storage that features two adjustable shelves with the versatility to store household items of all shapes and sizes. There is plenty of room for stacking blankets, board games or books. The spacious top of this storage cabinet with adjustable shelves provides an ideal surface for an accent lamp, plants, framed photos, and more. The rustic, distressed woodgrain of the Spring Maple™ finish lends a rugged appeal, while the classic hardware and framed doors provide a transitional style that will blend with any home décor. This double door storage cabinet is solid proof that good things come in small packages.
