

2 STEP STOOL - DARK TAUPE/BLACK METAL - I 4000

$69.95

Keep it safe for those out of reach spots with the help of this practical and stylish 2 step stool.

Keep it safe for those out of reach spots with the help of this practical and stylish 2 step stool. With a portable and compact design, this practical step ladder can have a permanent spot in the kitchen or bedroom to help reach those high shelves and cabinets, in a bathroom, or when you need an extra boost to safely get into a high bed. The two wide steps have an attractive wood-look taupe brown laminate finish, supported with sturdy black metal framing that includes floor protectors, giving the step stool a contemporary appeal. Easy to assemble with illustrated instructions and hardware included, this step ladder will be ready to use in no time flat. Weight capacity is 300lbs. Make this handy and reliable accent stool a part of your permanent home furnishings!
