

20" BEIGE CONCRETE TABLE LAMP (I 9718)

\$99.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

This stylish and fashionable 20"h sphere shaped table lamp with a beige concrete base in a textured finish, and topped with a beige linen drum shade and gold metal finial will be a standout accent to brighten any room. Featuring a 3-way rotary switch holding a single bulb (not included) with a maximum outage of 100W/120V, allows you to customize the ambiance in your living room, home office, or bedroom. With a chic contemporary appeal and attached with a 5ft clear cord, place this versatile decorative lamp on a side or end table, or on your nightstand or bedside table to create a warm and inviting atmosphere.
