Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

Whether you need a cool looking task lamp to brighten up your work area, a nightstand or bedside table, this trendy and stylish 20" h table lamp with the USB port included is the perfect choice! Great for brightening up any office, living room, or bedroom, this modern accent lighting sits on a sleek, black metal body with a slender arm, topped with a clear glass shade for a nostalgic industrial vibe. This practical lighting option is attached with a 6ft black cord, and a convenient on/off touch switch at the base along with a USB port to re-charge your device. This lamp gives off a warm, illuminated ambiance with the single bulb (not included) for a maximum outage of 40W/120V.
