

21" BLACK METAL TABLE LAMP (I 9647)

COMING MAY 2026

Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

Lights, camera, action with this sleek 21"h table lamp with a fixed black metal base and frame, and adjustable black shade that can be moved to focus the light on the task at hand. This modern designed task lamp comes with a USB port included to charge your device and an easy access on/off rocker switch embedded into the base to instantly illuminate a space. Attached with 6ft black cord, this highly functional lamp accommodates a 40W/120V bulb (not included) to light up detailed work or reading material on a desk, side or end table, or a nightstand.
