Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

Looking for a stylish lighting solution that will brighten up your living room, bedroom, office, and other spaces? Look no further than this 22"h table lamp with a casual boho vibe. The airy textured base is made from durable brown linen rope topped with a drum shaped beige linen shade and finished with a round wood finial. With a transitional design, this is the perfect sized lamp to place on an end or side table, or on a nightstand. It offers versatile illumination thanks to a 3-way switch that holds a single bulb (not included) for a maximum outage of 100W/120V, allowing you adjust the lighting ambiance in a living room, home office, or bedroom.
