

22" GREY MARBLE TABLE LAMP (I 9414)

$119.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps - including Bedroom styles as well as Living Room styles!

Softly sculptural and effortlessly contemporary, this 22"h table lamp brings refined lighting to the moments that matter most. A tapered grey marble base delivers natural veining with weight, while the crisp white fabric shade diffuses a gentle glow to illuminate your space with calm ambiance. Style it as a decorative accent on an end or side table or let it brighten a nightstand in your bedroom for evening reading. In the office or living room, its decorative silhouette feels instantly stylish, fashionable and trendy without overpowering your decor. A rotary switch offers easy control, and a clear power cord keeps the look clean and considered. This modern table lamp requires one bulb up to 100W (not included).
