

24" GREY CERAMIC TABLE LAMP (I 9667)

\$89.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps - including Bedroom styles as well as Living Room styles!

Add some modern ambiance to your home with this stylish and trendy 24"h table lamp in dark grey ceramic with a chic ivory shade. This decorative table lamp will brighten up any room with its contemporary, donut-shaped ceramic base and oval linen-blend fabric shade. A perfect size to place on an end or side table, or as a bedside lamp on your nightstand, this lamp will illuminate your space with a soft and inviting glow. Easy to use with an on/off rotary switch that houses a 100W light bulb (not included), this lighting fixture will easily be a standout.
