

24" NICKEL METAL TABLE LAMP (I 9642)

\$69.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

Create a polished contemporary ambiance in your home with these 24"H table lamps. The sleek tapered nickel metal frame over a round metal base, topped with a grey linen fabric shade and finished with a round grey metal finial, makes these versatile lamps perfect to illuminate your office, living room, or bedroom. Each accent lamp is equipped with a rotary switch on the base for easy on and off access, and a USB port included for charging your favorite devices. Using a single bulb (not included) for a maximum output of 60W/120V and attached with a 6ft clear cord, this lamp provides a practical lighting solution when placed on your end or side table, console table, nightstand or bedside table.
