Update your living room, bedroom, or office into a beacon of modernity and elegance with this 25"h table lamp. Designed with a chic ivory concrete base in an aged finish, this lamp pairs beautifully with the modern ivory fabric shade that softly diffuses the light, creating an inviting ambiance that is both decorative and functional. Place this contemporary accent piece on any end or side table, a console, or on a nightstand to effortlessly illuminate a room. This decorative lamp has a convenient 3-way switch compatible with a 3-way bulb up to 100W (not included), allowing you to adjust the lighting to whatever mood you desire, whether for reading, relaxing, or entertaining. Brighten your home with this new favorite lighting solution that combines a textured concrete base with a contemporary drum ivory shade.
