~~$159.95~~ $119.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

Bring some contemporary sophistication to any room with this stylish 27"h table lamp. A beautiful blend of art-deco with a modern edge, the smooth cream ceramic base in a tapered vase shape, is complimented with an elegant ivory linen drum shade, and finished with a silver metal finial on top. With a 3-way switch that houses a single bulb (not included) for a maximum output of 100W/120V, this lamp offers three levels of illuminating light for creating the ambiance you desire. Attached with a 5ft transparent cord, this is the perfect functional accent to place on an end or side table in a living room or home office, or bring it into your bedroom to set on a nightstand or bedside table.
