Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

Make your living room, bedroom, or office shine with this sleek and stylish 28"H table lamp! The contemporary nickel metal cylinder body, on a thick circular acrylic base, contrasts with the elegant ivory linen drum shade, finished with a silver metal finial on top. Create the ambiance you want in a room with a flick of the 3-way switch that holds a single bulb (not included) for a maximum output of 100W/120V. Attached with a 6ft transparent cord, place this versatile accent lamp on an end or side table, console, or on a nightstand for some modern, sophisticated style.
