

**29" BLUE CERAMIC TABLE LAMP (I 9947)****\$189.95**

Keltic has an extensive lamp collection! Come shop our wide variety of lamps - including Bedroom styles as well as Living Room styles!

Bring some spark to your living room, bedroom, and home office space home with this stunning 29" h table lamp, featuring an eye-catching gradient blue ceramic body resting on a sturdy, clear acrylic base, adding a splash of color to your decor. This stylish and fashionable lighting piece is complemented by a contemporary ivory fabric shade that beautifully diffuses light to create a warm ambiance. With the convenient 3-way switch that accommodates a 3-way bulb up to 100W (not included), you can easily adjust the brightness to suit your mood. This decorative lamp is not only functional but also a standout accent for your end or side table, nightstand, or console table. Brighten your space and elevate your decor with this contemporary table lamp that perfectly blends form and function while staying on-trend.
