

29" GREY RESIN TABLE LAMP (I 9712)

\$159.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

Make your room shine with this stylish and fashionable 29"h table lamp! The modern designed, grey resin cylinder textured base and polished silver metal accent is topped with a ivory linen drum shade, and finished with an elegant silver finial. Attached with a 5ft transparent cord, place this versatile decorative accent on an end or side table, or on a nightstand for some discreet contemporary style. Easily illuminating a living room, office, and bedroom with just the flick of a 3-way switch that holds a single bulb (not included) for a maximum output of 100W/120V, allowing you to adjust the brightness level.
