

29" WHITE CERAMIC TABLE LAMP (I 9614)

~~\$159.95~~ \$99.95

Keltic has an extensive lamp collection! Come shop our wide variety of lamps- including Bedroom styles as well as Living Room styles!

Bring some contemporary sophistication to any room with this stylish 29"h table lamp. A beautiful blend of art-deco with a modern design, the smooth white ceramic columnar base with a geometric groove lines is complimented with an elegant ivory linen drum shade, and finished with a gold metal finial on top. With a 3-way switch that houses a single bulb (not included) for a maximum output of 100W/120V, this lamp offers three levels of illuminating light for creating the ambiance you desire. Attached with a 6ft transparent cord, this is the perfect accent lamp to place on an end or side table in a living room or home office, or bring it into your bedroom to set on a nightstand or bedside table.
