

3 DOOR STORAGE CABINET - CHALK OAK (433932)

\$369.95

Boost your style while elevating your organization level with the Sauder Select 3-door storage cabinet.

Boost your style while elevating your organization level with the Sauder Select 3-door storage cabinet. This sophisticated storage cabinet with doors seamlessly combines an elegant and classic aesthetic with ample storage solutions. Behind its three trendy, framed doors lie hidden compartments and adjustable shelves, offering versatile configurations for items of all sizes, including space for 12" x 12" storage bins (not included). From dinnerware, tablecloths and napkins to board games, books and puzzles, this 3-door console cabinet accommodates a diverse range of household necessities. The framed door fronts of this sideboard storage cabinet are adorned with visually appealing, dark, contrasting hardware. Crafted in a light and neutral finish, this console storage cabinet provides a spacious top surface for showcasing cherished family photos, a stylish lamp, or a selection of festive holiday décor. Finished in delicate Chalk Oak®, this cabinet embodies both form and function for an exquisite storage solution.
