Keltic has an extensive lamp collection! Come shop our wide variety of lamps - including Bedroom styles as well as Living Room styles!

Renew your decor with this stunning 30"h table lamp that perfectly blends natural beauty with contemporary style. The modern, linen-blend beige shade pairs beautifully with the vase shaped, textured finish base crafted from exquisite natural rattan in a woven design, adding depth and character to your living room, bedroom, or home office. This decorative accent lamp is not just about aesthetics, but it also brings functionality into the mix with its convenient 3-way switch that houses a 3-way bulb up to 100W (not included), allowing you to effortlessly adjust the lighting and create the right ambiance. The soft, warm glow illuminates an end or side table, adds a casual fashionable touch on a nightstand or practical lighting on a console table. Ideal for transitional styles, brighten your space and embrace the art of fashionable lighting with this eye-catching addition to your home design.
