

30" NATURAL WALL CLOCK (I 9036)

$99.95

Transform your living space with this exquisite 30" round decorative wall clock, created for the trendsetting individual who values both style and functionality. This large oversized wall clock boasts an antique white finish that effortlessly complements any transitional home decor. It features an easy-to-read design that showcases bold roman numerals accented in a natural wood-look print against a pristine glass surface, ensuring accurate timekeeping from any angle. The plastic frame provides a lightweight yet durable structure, and with its non-ticking quartz movement, you can enjoy a peaceful environment without the distraction of ticking sounds. Installation is a breeze with no assembly required, simply insert 1xAA battery (not included) and mount it on your wall to enjoy the charm it brings to your space. For indoor use only.
