

30" WALL CLOCK (BROWN) - I 9025

\$169.95

Stay ahead of the trend with this stylish 30" round wall clock in a chic brown finish. This large oversized clock features a durable glass surface and plastic frame with a wood-look printed face, for a touch of rustic sophistication in transitional home decors. The easy to read analog display comes with reliable quartz movement for accurate timekeeping. Say goodbye to annoying ticking sounds with this non-ticking clock that is perfect for quiet spaces. Plus, with no assembly required and only 1 AA battery needed (not included), this decorative clock becomes a hassle-free addition in your space. For indoor use only.
