

5 PIECE SENECA COUNTER SET - GREY

COMING JANUARY 2027

The beautiful and sophisticated Seneca dining set is your home's next hosting essential.

This beautiful and sophisticated dining set is your home's next hosting essential. The Seneca Counter Height Dining Set has a sleek square table design and also features a convenient built-in lazy Susan, allowing you to easily serve and share meals with family and friends. The table base shelf provides additional storage space for dinnerware or decor, keeping the dining area organized and clutter-free. The upholstered chairs are designed for maximum comfort with foam-filled seats and backs that make every meal feel like a luxurious experience. To add an extra touch of elegance, the seat backs are adorned with nailhead trim, a subtle detail that elevates the overall look. The Seneca Counter Height Dining Set has everything you need for a stylish and comfortable dining experience.
