

5 SHELF BOOKCASE WITH DOORS (433959)

\$429.95

Style and storage all in one.

Bring classic beauty and chic cottage style to your home décor with this library bookcase with doors from the Aspen Post® collection. The upper portion of this 5-shelf bookcase features two spacious adjustable shelves that are perfect for storing and displaying anything from your collection of novels, storage bins, and children's books to photos of your family, decorative plants, and collectibles. Behind the double doors of the tall bookshelf is an additional hidden storage area that contains a third adjustable shelf so you can stow away any other seasonal home essentials – the things that guests will never see. The charming style and convenient functionality make this library bookcase a perfect fit for your living room, office or even in the bedroom. It also features cord access through the enclosed back panel so that all your electrical cords and wires are organized neatly and out of sight. Finished in the light and neutral Prime Oak® and accented with black hardware, this quaint farmhouse style bookcase with doors gives your home the bright new look you've been waiting for.
