

## 6 PC HEATHER BEDROOM SET - AGED WHITE

COMING JUNE 2026

---

Sophisticated and stylish at a price that can't be beat!!

The Heather Queen Panel Bed is an artistic and cultivated bedroom staple. Made with solid pine wood in an aged white finish, the sophisticated nature of this piece easily becomes a focal point in your space. Intricately fluted posts adorning the head- and footboard cleverly mimic ancient Greek architecture, while the vertical carvings elongate this piece's appearance. 13 slats eliminate the need for a boxspring, and L-hook bed railing enhances safety and ease assembly, denoting a user-friendly, practical design. Let the Heather Queen Panel Bed's memorable design be the latest addition of refinement to your bedroom space.

Accent your bedroom with the intricate style of the Heather 5-Drawer Chest and 6 Drawer Dresser. The molding on the frame and beveled feet conveys timeless, traditional style, while sleek, black knobs on the drawers create a clean contrast. French and English dovetailing denote skillful craftsmanship, while smoothly operating ball bearing glides are built for effortless utility.
