

6 PIECE BLUE RIDGE BEDROOM SET - RUSTIC BROWN/GRAY

COMING DECEMBER 2026

The Blue Ridge Collection by New Classic Furniture offers a harmonious blend of sustainability and timeless design.

The Blue Ridge Collection by New Classic Furniture offers a harmonious blend of sustainability and timeless design. Crafted from reclaimed solid wood, sourced from various origins, this set embraces eco-friendly construction, contributing to the responsible use of natural resources. The naturally timeworn appearance, characterized by nail holes, bug holes, water and mineral staining, checking, and open knots, tells a story of the wood’s history. Carefully selected boards highlight and preserve these unique traits, ensuring that no two pieces are alike. The solid wood strength of reclaimed wood, seasoned through years of service, is further reinforced with a finger joining technique, creating the hallmark long planks of the Blue Ridge. The multi-step finish, featuring a rustic brown with gray undertones and charcoal glazing, enhances the heavily distressed look. Effortless drawer operation, clean and carefree storage with felt-lined top drawers, and time-tested quality with four-corner English dovetail joinery define this set. The Blue Ridge Bedroom Set is a marvel of sustainable craftsmanship that prioritizes both style and safety.
