\$999.95

The versatile Potomac dining set will make your dining area beautiful!

Bench sold out

The Potomac Collection is a versatile and stylish range of dining furniture, expertly crafted from solid Rubberwood with a striking two-tone black and brown finish. This collection offers both standard and counter height options, featuring round and rectangular dining tables to suit any dining space. The dining chairs and benches are upholstered for maximum comfort, with intricate lattice detailing and sleek, modern silhouettes that add a touch of sophistication to any room. Whether for casual family meals, formal gatherings, or hosting guests, the Potomac Collection seamlessly blends timeless elegance with practical functionality, making it an exceptional choice for any home.
