Bring an industrial-inspired style to your entertainment space with this low-profile open back TV stand.

Bring an industrial-inspired style to your entertainment space with this low-profile open back TV stand. The bold design starts with strong black satin metal supports at each end and in the center, with thick paneled 60-inch-long shelving that can hold any size TV once centered. Finished in an elegant black reclaimed wood-look, this TV stand features a long open shelf to place your audio/visual equipment or a sound bar. The three closed drawers on smooth metal glides, are accented with sleek black handles, roomy enough to store all your accessories, keeping everything organized in one place but out of sight.
