Its thoughtfully crafted design adds character while providing practical functionality for everyday living.

Built with the quality craftsmanship Sunny Designs is known for, the 3644LW-74 offers a stylish combination of durability, versatility, and enduring appeal—making it an excellent choice for customers looking to enhance their home with functional furniture that feels both classic and welcoming.

- **Manufacturer:** SUNNY DESIGNS
- **Finish:** Light Grey/Wheat
- **Material:** Mindi solids and veneers
- **Product Type:** TV Stand
- **Features:**
  - Expansive 74-Inch Scale: Created to balance oversized TVs and serve as a commanding centerpiece in open floor plans or large living spaces.
  - Fireplace Insert Ready: Removable center shelving seamlessly integrates an optional 28-inch electric infrared quartz fireplace (Log variant 2001B-28W or Crystal variant 2001B-28C).
  - Signature X-Detail Doors: Two flanking glass cabinet doors feature classic architectural wood X-framing for an authentic cottage or farmhouse vibe.

- Ample Electronics Storage: Built with three central open display shelves alongside enclosed multi-tier side cabinets for flexible media storage.
- Clean Cable Management: Strategically placed rear wire routing holes eliminate cord cluster behind your gaming consoles and components.
- Modular Compatibility: Fully integrates with matching Light Wash Left and Right Piers (3644LW-PL and 3644LW-PR) to expand into a complete custom entertainment wall system.
