

ACCENT CHAIR - BLUE FABRIC/WALNUT WOOD (I 8313)

$299.95

Add warmth and sophistication to your space with this beautifully designed accent chair.

Add warmth and sophistication to your space with this beautifully designed accent chair. Upholstered in soft touch blue fabric, the chair delivers a comfortable and inviting feel that works effortlessly in both living room and bedroom settings. Its 31"H profile offers the perfect balance of presence and versatility, making it easy to style as a standalone armchair or as part of a curated seating arrangement. Foam cushioning provides cozy seating and supportive comfort, while the solid brown walnut wood legs introduce a natural element that elevates the overall design. Built with a solid engineered wood frame, this accent chair is durably designed for everyday use without sacrificing its fashionable style. This upholstered accent chair is a reliable and stylish choice for modern homes looking for comfort, structure, and timeless appeal.
