

ACCENT CHAIR - GREEN (I 8062)

$359.95

Bring refined style and inviting comfort into your home with this chic accent chair.

Bring refined style and inviting comfort into your home with this chic accent chair, thoughtfully designed for contemporary interiors. Standing 30" high, its sculptural barrel shape offers a perfect balance of fashion and comfortable support, making it a standout addition to living rooms or bedrooms. Upholstered in a green soft touch fabric, the chair delivers a warm, sophisticated look while spring and plush foam cushioning invites you to settle in and relax. A gently curved back provides supportive comfort, while the rounded form adds an elegant, modern touch to your décor. Crafted with a solid engineered wood frame, this accent chair offers sturdy construction built for everyday use. Sleek black legs create a striking contrast, enhancing its fashionable style. Designed for convenience, this armchair is easy to assemble so you can enjoy it without delay.
