Bring in the perfect combination of style and functionality to a room with this accent table.

If you want an accent table that combines both practicality and style, then take a look at this 24 inch high side table with a warm antique white and espresso brown veneer finish. This fashionable side accent table with an easy to clean top is perfect to set next to a sofa or chair in your living room, or add a reading lamp on top and place in your bedroom as a charming nightstand. This traditionally designed, space saving end table has plenty of storage options that include an open shelf to tuck away a book or a small basket, and a built-in cabinet accented with elegant metal knob in an antique bronze finish, great for storing other essential items. Durably designed in wood materials and easy to assemble with full illustrated instructions and hardware, you will enjoy this narrow side table in your home for years to come.
