The Apollo Massage recliner is out of this world!

Apollo recliners offer the look and feel of high end leather with its long lasting durability and easy care. Each recliner is crafted through extensive research and rigorously tested to ensure the highest quality. Each chair features sinuous springs in the seat to prevent sagging, 2.0 foam with dacron and a hardwood frame.

Zero Gravity is one of the most comfortable positions to relax, read, watch tv, play video games, or even just spend time with your loved ones. It can help with pre-existing health conditions like back pain or neck pain from sleeping and can ease you into a full night of sleep. Zero Gravity, built in air massage feature, and easy to use controls are just a few of the features of this fabulous chair.
