

ASPEN POST CREDENZA - PEBBLE PINE (433681)

~~**$599.95**~~ **$449.95**

A home office credenza adds display and storage space in one stylish accent piece.

The best storage furniture in your home should include a combination of hidden and open storage. This office credenza from the Aspen Post® collection offers that coveted combo. Whether your home office or living room needs extra storage, this office cabinet has the answer for you. Designed with your home office requirements in mind, this storage credenza has a large adjustable shelf that pulls out on metal slides for easy access to your printer. Additionally, the hidden storage behind double doors includes an adjustable shelf to accommodate office or home items of various sizes. The top is a 1” thick, durable surface ideal for office or home décor, books, a lamp, and framed photos. Place a turntable or speakers on the top surface for use as an entertainment credenza. Featuring quick and easy assembly with slide-on moldings and a natural Pebble Pine® finish, this credenza with pull out shelf is a versatile storage piece that adds functionality to any room.
