The Bristow landscape electric fireplace is surrounded by a generous, elegant mantel with a unique storage shelf to display decorative split logs.

The Bristow landscape electric fireplace is surrounded by a generous, elegant mantel with a unique storage shelf to display decorative split logs. Instantly improve your home with the addition of this impressive indoor fireplace. Part of the Real Flame® VividFlame™ Landscape Series, this widescreen electric firebox mimics the look of a real, flickering fire, but does not require a chimney or vents and conveniently plugs into a standard outlet. This free-standing, extra-long indoor fireplace has a mantel with a real wood finish and features six flame colors, five flame brightness levels, adjustable thermostat, timer function and automatic safety shut-off. The electric fireplace insert provides supplemental heat for rooms up to 1,000 sq ft or the heater can be turned off so you can enjoy the comforting ambiance of a glowing fireplace year-round. Mantel, firebox with log set, hardware and remote control are included.
