Organize your makeup easily and complete your get-ready routine in the bedroom with this vanity makeup table from the Cannery Bridge® collection.

Organize your makeup easily and complete your get-ready routine in the bedroom with this vanity makeup table from the Cannery Bridge® collection. This makeup vanity includes a framed mirror to easily put on your lipstick, do your skincare routine, or curl your hair. This bedroom vanity with mirror features two drawers with metal runners for items like eye shadow pallets, makeup brushes, hair care products, and curling iron. This makeup vanity with mirror features a raised shelf for nail polish, hair ties, and more. Assembly is a breeze with the T-lock drawer system, because we know you want to spend less time assembling and more time glamming. A cord management system makes for reduced cord clutter as you are charging your phone, doing your hair, and more. Finished in Sindoori Mango® with a herringbone top pattern, this bedroom vanity takes your cosmetics prep to the next level.
