The Peppermint bunk is fun, comfortable and has space for nearly everything.

The Peppermint bunk is fun, comfortable and has space for nearly everything. It has stairs & railings with drawers in every step! Note the surprise extra shelves at the back too. Go all the way and add Rolling Storage Drawers or a Trundle Bed (sold separately). The drawers are on castors making them very easy to glide along the floor, and are very deep for lots of storage options. Not least, the stairs are switchable, assemble them at either end. Awesome!

The Peppermint bunk bed is solid hardwood and comes with a 10 year warranty. Each bed has a 250LB weight rating.
