---

A home office credenza adds display and storage space in one stylish accent piece.

The function of a traditional home office credenza with a fresh new twist—this credenza from the Clifford Place® collection delivers reliable storage and display space with a trendy aesthetic that is sure to liven up your home. This credenza with drawers features two of them – a pair of storage drawers with full extension slides for your pens, notepads, or planner. The area behind each door features an adjustable shelf, making this office storage credenza perfect for large books or binders, as well as organizing bins. A pull-out shelf makes it a breeze to access the printer. Grommet holes and pass-throughs for cord management ensure that your office storage furniture is free of cord clutter. This office credenza is finished on all sides for a polished look from any angle so it will look complete wherever it's placed. With details like solid wood feet and a Jet Acacia® finish, this credenza with storage brings new life to your home office.
