

COFFEE TABLE - WOOD LOOK/BLACK METAL (I 2850)

\$279.95

Industrial-farmhouse style combines modern metal with a rustic wood finish to create a warm, inviting look.

Industrial-farmhouse style combines modern metal with a rustic wood finish to create a warm, inviting look. This two-tier rectangular coffee table embodies that popular style. The tabletop and bottom shelf are finished in a brown reclaimed-wood look with naturalistic color variations and a subtle wood-grain texture. Robust metal legs in a black finish are incorporated into the thick tabletop for a striking visual contrast and to provide stability. With its neutral colors and clean lines, this accent table will bring country charm and city chic to any living room.
