Give your favorite snoozing room the finishing touch it needs with this nightstand from the Costa collection.

A bedroom just isn't complete without the perfect bedside companion. Give your favorite snoozing room the finishing touch it needs with this nightstand from the Costa collection. This nightstand with drawer offers a spacious top surface that provides you with the ideal amount of space for all your bedside needs - like a lamp, your alarm clock, a refreshing cup of water and your smartphone. This nightstand with open storage features a cubbyhole opening for easy access storage of items like your favorite book and the TV remote. This beside table with storage also features a drawer that glides on metal runners and safety stops. It's ideal for storing your glasses, phone charger, and more. Framed, slat-front detailing provides a distinct aesthetic. A Chalked Chestnut® finish gives a timeless feel that instantly revamps your bedroom.
